

**ECOZYNC**

**FOURTH SEMESTER  
MAIN PROJECT REPORT**

*Submitted to the University of Kerala  
In partial fulfilment of the requirements for the  
award of the degree of*

**Master of Computer Applications**

*Submitted By*

**Ali Ahammad A (95523821006)**

**Department of Computer Applications**

**SREE NARAYANA INSTITUTE OF TECHNOLOGY**

**SREE NARAYANA INSTITUTE OF TECHNOLOGY**

**Vadakkevila, Kollam, Kerala, India**

**Department of Computer Applications**

## **Certificate**

Certified that the project entitled

**“EcoZync”**

**Is a bonafide report of the project  
done by**

**Ali Ahammad A (95523821006)**

During the year 2025 in partial fulfilment of the requirements for  
the award of Master of Computer Applications by  
University of Kerala

**Examiner**

**Guide**

**Head of Department**

**1**

**Dr. Sajeer J**

## **DECLARATION**

I, **Ali Ahammad A**, declare that this project report entitled '**EcoZync**' is the bonafide work carried out under the supervision of **Dr. Sajeev J**, Head of Department & Professor, Master of Computer Applications, Sree Narayana Institute of Technology, Kollam. To the best of my knowledge, the work reported here does not form part of any other project report or dissertation on which a degree or award was conferred on an earlier occasion to any other candidate. The content of this report is not being presented by any other student to this or any other University for the award of a degree.

**Countersigned**

**Head of Department,**

**Master of Computer Applications**

**Sree Narayana Institute of Technology, Kollam**

## ACKNOWLEDGEMENT

First and foremost, I thank the Almighty God who gave me the knowledge and strength to complete this project successfully. I express my deep sense of gratitude to **The Principal Dr. T. Mahalekshmi** and **Dr. Sajeesh J**, Head of Department, Master of Computer Applications, for providing me with all the necessary facilities, which helped me a lot in the successful completion of this innovative **EcoZync: IoT-Based Community-Driven Environmental Monitoring Platform** project. It is a great pleasure for me to acknowledge the assistance of my project guide **Dr. Sajeesh J**, Head of Department & Professor, Master of Computer Applications, Sree Narayana Institute of Technology, Kollam, for his valuable guidance, technical expertise, and kind support during the development of this comprehensive environmental monitoring solution.

**Ali Ahammad A**
